CONFOL.

CHOOSE your container from the country's biggest range or have one designed just for you. **KNOW** your container is made by the fussiest people in the business. **RELAX** with professional, accredited quality production that's clean and hygienic. **BE** a good corporate citizen with an environmentally aware container. **RECEIVE** your containers on time, fast. **ENJOY** a partnership with packaging people who are here to stay. >

CONFOIL.

CHOOSE FROM A HUGE RANGE OF PACKAGING OR DESIGN YOUR OWN CONTAINER >

Good packaging protects your product. Great packaging protects and presents your product. At Confoil, the presentation options are endless. Star shaped or square, deep or shallow, printed or plain, gilt edged, black or any colour of the rainbow – it's your choice.

Select from Confoil's range of more than 350 standard aluminium foil or Dualpak paperboard food containers and decorative paper baking moulds or have one designed especially for you. Because Confoil's foil and Dualpak packaging is made in Australia, custom designs are both welcomed by Confoil's engineers and affordable.

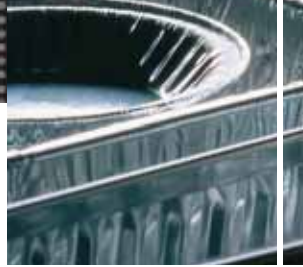

To provide a complete food handling service, Confoil also supplies foil and plastic wrap, denesters and closing machinery.

DELIVERY IN HOURS, NOT WEEKS

Whichever Confoil packaging system you choose, you can expect prompt delivery. Confoil's five warehouses hold substantial stocks so your production lines can be assured of reliable supply and swift restocking. In fact, standard dispatch times are just 24 to 48 hours from receipt of order.

GUARANTEED QUALITY

Extend your high quality standards beyond the factory gate with Confoil packaging made in Australia by the industry's perfectionists.

Nothing is left to chance. Confoil maintains a comprehensive quality management system in compliance with ISO 9000:2000 requirements to consistently deliver quality products and services. The quality policy affects all aspects of the company's administration, manufacturing, distribution and sales activities.

But even more importantly, quality is simply part of the way Confoil people think. Confoil's production staff members take enormous pride in their product. Anything less than absolutely perfect is rejected – no compromise allowed.

Confoil is a quality assured company to AS/NZS ISO 9001:2000 standard, certificate # QEC 3132, certified 9/12/93. Certified by SAI Global.

CONTAINERS MADE FOR FOOD IN A CLEAN, HACCP CONTROLLED ENVIRONMENT

The integrity of your food safety standards are also preserved with packaging produced to meet the most stringent standards. Confoil understands that HACCP compliant packaging is mandatory for food manufacturers working within food safety parameters and is HACCP certified to Codex HACCP and GMP.

Because packaging's number one role is to keep your food safe and free from contaminants, Confoil factories look and feel like food production facilities with their spotless white walls, hair nets and impeccable housekeeping.

Confoil is HACCP certified to Codex HACCP & GMP, certificate # HCV00278 certified 13/11/00. Certified by SAI Global.

CONTAINERS WITH A CONSCIENCE

As Australia's largest supplier of aluminium foil containers and pressed paperboard trays to the food industry, Confoil takes its obligation to preserve our environment very seriously.

Confoil aluminium foil containers and the innovative paperboard container range, Dualpak, are fully recyclable. The company has launched several recycling campaigns in partnership with users to close the loop and reclaim as many materials as possible.

Every year, Confoil formally revisits plans for continuous improvement in its environmental performance through education and community awareness programs, product development and design, recycling and disposal, and warehouse and distribution efficiencies.

Outcomes have minimised the impact of Confoil's business on the environment and have led to significant savings in raw materials. Such achievements have been recognised by industry. Confoil's National Packaging Covenant Action Plan earned a silver award from the Packaging Council of Australia.

Confoil is a member of the Packaging Council of Australia and a proud signatory of the National Packaging Covenant. The current Confoil National Packaging Covenant Action Plan is on public record at www.packcoun.com.au

HERE TO STAY

Dealing with Confoil, your business enjoys the depth of support that only a manufacturer with an intimate knowledge of its field and products can offer. Service at Confoil begins with the highly trained salesforce and extends to the technical expertise of Confoil's production and new product development staff.

Whether creating a custom packaging design, refining existing containers or managing the flow of packaging through your production line, Confoil technicians are at hand to provide expert help.

Established as a family owned company in 1966, Confoil now employs around 150 staff members throughout Australia, New Zealand and Malaysia servicing a wide range of industries, including:

- > Frozen food manufacturers
- > Defence forces
- > Hospitals and healthcare
- > Meals on wheels
- > Airlines
- > Bakeries - commercial and retail
- > Supermarkets
- > Food service and hospitality

Australian-made Confoil products are also exported to South East Asia, the Pacific Rim and Pacific Islands.
