

A top-down photograph of a person sitting on a grey floor, wearing blue jeans. They are holding a black foil tray filled with a meal of rice, beans, and chicken. A white knife and a glass of water are on a black circular mat next to the tray. A semi-transparent white box with text is overlaid on the image.

DualPak[®]

Product Guide

Make, Store, Serve...

Made from pressed paperboard with a PET liner, our DualPak® tray features natural insulation properties that will not crack, even when frozen.

DualPak® is perfect for preparing, displaying and storing prepared meals in, and is the go-to choice for many food manufacturers due to its practical qualities as well as the fact that it is able to be custom branded.

Lid Compatibility

Heat Sealable

Designed to be used with heat sealing machinery and a compatible film lidding.

Clip-On Lids Available

Clip-on lids are available with specific products in the DualPak® range.

Environment

Made pressed paperboard with a PET lining. The PET lining can be removed from the paperboard, with both the PET lining and the paperboard tray proceeding through standard recycling facilities. DualPak® is a great, responsible choice.
