SMOOTHWALL ASPIRE

## For makers of good food

Looking for a high quality packaging option for your beautifully made ready meals and desserts? Confoil is proud to introduce our premium range of Smoothwall foil trays – Smoothwall Aspire.

Created using an extra tough, heavy gauge aluminium with a smooth flange to accommodate heat sealing, the Smoothwall Aspire range is as high performing as it is stylish.

An ideal packaging choice for beautiful ready meals, cuts of meat and fish, as well as your stunning dessert creations.

Smoothwall Aspire is here to take your food presentation to the next level.

SMOOTHWALL JUST GOT SMOOTHER...

## A few reasons to love the Aspire range

### **O1. OVENABLE & MICROWAVABLE**

From the fridge, to the freezer, to the oven or the microwave, Smoothwall Aspire is not only versatile, but will not colour fade and continues to look incredible.

### **O2. SIGNED, SEALED DELIVERED**

With a smooth flange to accommodate heat sealing options, the freshness and shelf life of your food is extended.

### **O3. IN THE MOOD FOR SWEET, SPICY OR SAVOURY?**

With an inner aluminium finish to the Aspire tray, you can use them for a range of food options. From pasta to seafood to gourmet dessert creations.

### **O4. GOOD LOOKS ARE JUST THE BEGINNING**

Smoothwall Aspire's stunning black and gold lacquered trays give your food presentation a serious glow-up. The perfect option for gourmet ready meal brands and boutique kitchens who are looking to differentiate from the competition and increase brand recognition. The colours in the range can also be used as a way to differentiate meal types and flavours.

*Made locally in Australia in a food safe certified facility*

*Made from 10% heavier gauge foil compared to our standard Smoothwall trays*

*Laminated outer epoxy lacquer finish trays (not printed)*

*Made from 100% recyclable and endlessly renewable aluminium foil*
